

RONEN NAZARIAN MD

8631 W. Third Street Suite 625E • Los Angeles, CA 90048
www.ohni.org/dr-ronen-nazarian
Ph: 310-657-0123 Fx: 310-657-2381

Director of Otolaryngology and Restorative Hearing Surgery
Osborne Head and Neck Institute- Los Angeles, CA
September 2015 – Present

BOARD CERTIFICATION:

Certified by the American Academy of Otolaryngology Head & Neck Surgery (Expires 2025)

HOSPITAL AFFILIATIONS:

Attending Surgeon
Cedars Sinai Medical Center- Los Angeles, California

EDUCATION & TRAINING

Otology Fellow

Ear Research Foundation at the Silverstein Institute- Sarasota, Florida (July 2014- June 2015)

Resident Physician

University of Miami: Department of Otolaryngology, Head and Neck Surgery (June 2009-June 2014)

- Appointed Administrative Chief Resident (2013-2014)

M.D., USC Keck School of Medicine (August 2005— May 2009)

- Alpha Omega Alpha (AOA) Medical Honor Society (2008-present)
- Dean's Recognition, Junior-Senior Continuum (2007-2009)
- Dean's Recognition, Freshman Year (2005-2006)
- Faculty Wives and Friends Scholarship (2007)
- Honorable Recognition. Medical Research Forum (2007)

B.S., University of California Los Angeles (September 2001—June 2005)

Major: Microbiology, Immunology, and Molecular Genetics

Minor: Political Science

- *Magna Cum Laude* Graduate
- Dean's Honor Roll (all 4 years)
- College Honors
- Faculty Scholarship (2002)
- *UCLA Rotaract Club* Vice President 2004, District Representative 2005
- *Sigma Pi Beta* Vice President (2005)
- *Golden Key Honor Society* Vice President (2004-2005)

RESEARCH & PUBLICATIONS (By Institution)

Silverstein Ear & Sinus Institute, Sarasota, FL (June 2014-June 2015)

Abstracts & Presentations:

- **Nazarian R**, Draper K, Daugherty J, Thompson J, Wazen J. *Comparison Study of Hydroxyapatite-Coated Versus Non-Coated bone Anchored Hearing Abutments*. 5th International Congress on Bone Conduction Hearing and Related Technologies. Lake Louise, Canada. May 2015.
- Draper K, **Nazarian R**, Daugherty J, Thompson J, Wazen J. *Expanding the Indications for the Bone Anchored Hearing System (BAHS)*. 5th International Congress on Bone Conduction Hearing and Related Technologies. Lake Louise, Canada. May 2015.
- **Nazarian R**, Draper K, Wazen J. *Role of MAXUM Implant in Patients with Contralateral Cochlear Implant*. American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting. Dallas, Texas. September 2015
- Silverstein H, Wazen J, Daugherty J, Ojo R, **Nazarian R**. *Round and Oval Window Reinforcement for the Treatment of Severe Hyperacusis*. American Neurotology Society: 51st Annual Spring Meeting. Chicago, Illinois. May 2016.

Publications:

USC Department of Otolaryngology Head and Neck Surgery, Los Angeles, CA (April 2008—June 2009)

Uttam K. Sinha, M.D. and Rizwan Masood, Ph.D.

Description: Building on my past work analyzing the interaction between Ephrin receptors and Nipah virus binding (see Publications below) to generate new markers of detection and diagnosis of HNSCC. Additionally, we examined new markers such as EGFR, CXCR4, and SDF in the mechanism of HNC metastasis.

UCLA Department of Head and Neck Surgery, Los Angeles, CA (August 2008—June 2009)

Gerald S. Berke, M.D., Dinesh K. Chhetri M.D., and Murtaza Ghadiali, M.D

Description: I compiled the results of patients undergoing a novel treatment of anterior glottic webs using a simple vocal fold flap procedure without the need for keel placement.

Abstracts & Manuscripts:

- Ghadiali M, **Nazarian R**, Chhetri D, Berke G (May 2009) *Endoscopic Repair of Anterior Glottic Webs using a False Vocal Fold Microflap as a Biological Keel*. Presented at the Annual Triological Meeting in Phoenix, AZ May 2009
- Ghadiali M, **Nazarian R**, Chhetri D, Berke G. *Endoscopic Repair of Anterior Glottic Webs using a False Vocal Fold Microflap as a Biological Keel*. Laryngoscope. 119. S266. 2009.

USC Norris Comprehensive Cancer Center, Los Angeles, CA (June 2006—June 2008)

Michael F. Press, M.D, Ph.D.

Description: Facilitating the molecular detection of breast cancer patients who are likely to benefit from Herceptin therapy. To prove the superiority of FISH assays over standard immunohistochemistry Protocols.

Poster Presentation:

- **Nazarian R**, Whitley C, Santos L, Press MF. (2007) *Breast Cancer and HER-2/neu Expression: Using Breast Cell Cultures to Develop Optimal Detection Techniques*. Poster Presentation. Keck School of Medicine Research Forum. (Awarded Honorable Recognition).

UCLA Department of Immunology, Los Angeles, CA (October 2002—January 2006)

Benhur Lee, M.D.

Description: Took part in discovering the human receptor for the deadly Nipah Virus.

Publications:

- Negrete OA, Levroney EL, Aguilar HC, Bertolotti-Ciarlet A, **Nazarian R**, Tajyar S, Lee B. (July 2005) *EphrinB2 is the entry receptor for Nipah virus, an emergent deadly paramyxovirus*. **Nature** 436: 401-405.

Abstracts & Poster Presentations:

- Negrete OA, **Nazarian R**, Levroney E, Aguilar HC, Lee B. (June 2005) *Nipah and Hendra Virus: Shedding Light on the Viral Receptor*. American Society for Virology 24th Annual Meeting. State College, Pennsylvania. Poster Presentation.
- Negrete OA, **Nazarian R**, Levroney E, Aguilar HC, Tajyar S, Lee B. (July 2005) *Identification of the Nipah and Hendra Virus Receptor*. International Union of Microbiological Societies. San Francisco, CA. Poster Presentation.

TEACHING EXPERIENCE

Scholars Program- Osborne Head and Neck Foundation (September 2015- present)

Description: Organizing lectures, medical training, surgical labs, and clinical exposure opportunities for high school students interested in a career in medicine.

University of Miami Harrington Program – International Medicine Institute (July 2012- June 2014)

Description: Invited speaker and clinical instructor for medical students from Latin America interested in pursuing a Career in otolaryngology. I was involved in teaching on the wards and operating room, as well as presenting grand rounds on various topics in otolaryngology.

Academic Advisor (July 2009 to June 2014)

Description: Offering academic and professional advice to medical students in pursuit of competitive residency positions.

Bravo Mentoring Group, Keck School of Medicine (September 2005—April 2007)

Position: Co-director

Description: Mentoring at Medical Magnet Bravo High School.

Private Tutor (March 2001—February 2006)

Description: Tutoring high school and college students in the science and mathematic disciplines and offered services to prepare for national standardized tests and college applications.

PAST PROFESSIONAL ACTIVITIES

St. George Cancer Society, USC Norris Comprehensive Cancer Center (September 2005—May 2007)

Position: Co-Director

Description: Invited distinguished physicians from USC and other institutions to give a focused talk on topics in oncology. The only oncology student interest group on campus.

Operation Smile, USC Department of Plastic Surgery (September 2005 – April 2007)

Position: Co-Director

Description: Cleft lip and palate repair for children around the world. Responsible for raising funds for the organization and coordinating student participation.

Adolescent Suicide Prevention Program, UCLA Emergency Department (January 2004 – June 2005)

Position: Student Research Director

Description: Directed students to conduct a prospective study on the effectiveness of inpatient intervention for suicidal adolescents in the emergency department.

Golden Key International Honor Society at UCLA (August 2004 – June 2005)

Position: Co-President

Description: Organized students, faculty, and administrators in developing and maintaining voluntary service, scholarships, and other academic resources.

PROFESSIONAL MEMBERSHIPS / APPOINTMENTS

- Alpha Omega Alpha (AOA) Medical Honor Society
 - Only top 15% of graduating medical students Nationwide are considered for membership based on academic standing, leadership, character, community service, and professionalism
- Associate Editor- Journal of Otolaryngology-ENT Research
- American Medical Association
- American Academy of Otolaryngology

ACADEMIC AWARDS

- 2014 UM Chandler Meeting – First Place PGY-5 Temporal Bone Competition
- 2014 Triological Society Combined Section Meeting: Resident Academic Bowl- 2nd Place Award
- 2013 Appointed Administrative Chief Resident- University of Miami Department of Otolaryngology
- 2013 UM Chandler Meeting – First Place PGY-4 Temporal Bone Competition
- 2013 UM Chandler Meeting – Second Place Best Research Award
- 2013 William J. Harrington Medical Conferences Committee- Distinguished Speaker
- 2012 UM Chandler Meeting – First Place PGY-3 Temporal Bone Competition
- 2012 UM Chandler Meeting – Second Place Best Research Award
- 2011 UM Chandler Meeting – First Place PGY-2 Temporal Bone Competition
- Alpha Omega Alpha (AOA) Medical Honor Society (2008)
- Dean's Recognition Junior-Senior Continuum (Keck School of Medicine 2007-2009)
- Honorable Recognition. Keck School of Medicine Research Forum (2007)
- Dean's Recognition Freshman Class (Keck School of Medicine 2005-2006)
- Keck Faculty Wives and Friends Scholarship (2005-2006)
- Honorable Recognition. Keck School of Medicine Research Forum (May 2007)
- UCLA College Honors with Honors Thesis (2005)
- UCLA Faculty Scholarship (2002)
- UCLA Dean's Honor Roll (all 4 years in college)

LANGUAGES

- Fluent in written and conversational Spanish
- Fluent in written and spoken Hebrew
- Fluent in spoken Farsi

HOBBIES

- Drums, Boating, Longboards, Biking, Kayaking, Snowboarding
